2021

As we now are approaching the New Year of 2021, we are still doing well. Even though we will not be celebrating our normal way, hopefully our 2021 will be a much better year for everyone. So as Elks, keep the faith, stay positive and strong, and remember who we are and what we as Elks stand for. We will survive this ordeal and continue to do our important work that we do. Stand up, Be proud and let's bring in the New Year with open arms.

We had our Holiday Appeal and what a great success. We had 77 food baskets that were given to the families and 150 children which our members adopted for Christmas. I want to thank everyone who has adopted these families and making our Holiday Appeal a wonderful Christmas for these families.

Thirsty Thursday and Friday night dinners have been doing very well. Each week will be different specials and are posted on our board outside, in an email blast as well as on social media. I invite everyone to join us for dinner and come have fun. If you have any questions please do not hesitate to call Madelyn at 201-230-2596 for any details.

Once again our drive through with Santa for our special children was not normal but an amazing event. We complied with social distance and wearing masks. It was wonderful for anyone who came that day to witness the smiles and excitement on their faces when they saw Santa and his Elves. Thank you all who helped make this an exciting for our children.

Unfortunately we had to cancel our New Year's get together "Kick 2020 to the curb." It was in the best interest for all our members and their guest to stay healthy and safe.

I want to thank everyone for your continued support to our lodge. We cannot survive without all your continued support and to all of our members who continue to make all of our functions a success.

Continue to be safe, healthy and remember that any act of kindness, no matter how big or small, goes along way. God bless our Troops, our Elks and the United States of America's.

HAPPY NEW YEAR to everyone. I'm looking forward to 2021 and seeing everyone next year.

Fraternally, Roxanne J Steffen, Exalted Ruler

“Elks Give from the Heart”

PAUL R. RYAN
GRAND EXALTED RULER
2020-2021

Resolutions, goals: Make them now for your Lodge

Frohes Neues Jahr, Godt Nyttår, Feliz Año Nuevo, and Happy New Year!!!!

No matter how you say it, 2021 can ONLY be a better year!

Do you still have resolutions? Or maybe they are goals. I had a few goals as your Grand Exalted Ruler for my year as your representative of this organization. My biggest thing is to make sure that the Order builds on what we already have. Create more ways to give back, add to the programs to help others, build on our benevolence. But, we can all say that—are you doing it? Knowing what I know about all of the Members that we have had the opportunity to meet, there is no doubt in my mind that we are doing a lot, but can we do more!

Because of our wonderful new program, the Financial Reporting System (FRS), normally at this time I would be suggesting that it is time to get your Auditing and Accounting Committee on regular meetings to look at the budgets and prepare the financial documents to ship to CPAs. But because of the FRS, we only need to prepare, compare, and send for your 990s to be completed. Although our “Lodge year” is different, the IRS needs your information for a calendar year. Make sure to get them prepared.

This is also the time to start preparing for your PER Night. Get your new officers ready to start their year. Help your future officers and prepare for the next regime. But, don’t stop your current momentum. This is what is going to take you into the new year. It will also teach your future leaders to Create Momentum for the Future of Elksdom.

I had the honor of participating and being a part of the 150th anniversary celebration of this great Order. I will never forget what an honor that was, and the fact that two of my children were also able to be a part of it. February is the birthday of our Order. Use this to have a celebration, a dinner, or an outing to help create funds for your Lodge, to help with the community, or to help another organization. No matter what you do, make the birthday of the Elks an event in your Lodge.

For ERs, Secretaries, and PERs, this is the time also to choose your Elk of the Year, Officer of the Year, and Citizen of the Year. As always, take time to deliberate and choose thoughtfully.

Lapsation should also be a focus of your Membership Committee. My Lodge has reported that we are nearing 2% in lapsation. Although for me that is a small number, for many it is huge. Let’s make this another year of growth.

SICKNESS & DISTRESS

It has been a tough year at The Lake Hopatcong Elks 782 with member suffering various illnesses, accidents, falls and unfortunately too many losses of life. We ask for prayers to our dear friend and member **Ed Kelly**, who was recently involved in a car accident and is currently still hospitalized.

To our Absent Member, **Dr. Bertram Isenberg**, *Optometrist*, A life member of 51 years. Our respect, prayers and condolences to his wife Sandy, to his family and friends.

To our Absent Member, Frederick M. Sandquist a member for 23 years. Our respect, prayers and condolences to his family during this most difficult time.

We mourn the loss of our Member **Gene Garabrant PVP, PER**. Gene was 82 years old and was a Member for 32 years. Gene was a loving husband to his wife Lorrie, who passed on before him. Gene was very involved in the Trustees, but his real passion was the Lodge Honor Guard. Gene was indeed an Honor Guard legend and the very best kind of legend. He was a man of the people, surrounded by those with whom he performed, proud to be part of the ensemble, believing that everyone's part was no less important than his. If you marched with him, you know what I am talking about. I find strength when I think of this man, our friend, from how he treated people, how he cared for everyone, how he loved being an Elk. I am saddened at his passing but I marvel at his strength.

So, with God Speed, we all say goodbye, sir. Yours was the best of lives, and we all thank you for it and the many gifts you gave us along the way. With hopeful expectations, we will look to see you again; with familial Elks pride, we will cherish and spread the lessons you've taught us; and with love, we will keep dear the memory of your spirit.

May you forever rest in peace. To our Absent Member.

We mourn the loss of our Member **Alfonso DeCaito PDD, PVP, PST, PER**. Al was 78 years old and was a Member for 41 years. In recent years, Al had serious health problems that limited his ability to be active. However, for much of his 41 years as a Member, Al DeCaito was extremely active in the Elks. He served the Elks with the highest level of excellence in all that he did. Al DeCaito was a PDD, PVP, PST, and PER. Al DeCaito was very involved in the Ritual and spent many years as the District Chairman. Al DeCaito was a loving husband to his wife Connie, who passed on several years ago. Both Al and Connie were loved and respected throughout Elksdom. His close friends called him "Big Al". Not because of the size of his height, because he was certainly not a tall man at just over 5 feet in height. It was because of the size of his big heart and his incredible devotion to the Elks.

God Bless Alfonso DeCaito PDD, PVP, PST, PER.

Please feel free to call me @ 973-668-9302 or e-mail me @ purpledebi@yahoo.com with any information on a member who has fallen ill or to be placed on our prayer list.

WELCOME

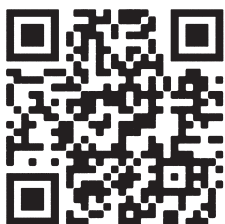

Of the utmost importance in 2021 is the safety and health of our members. We will continue to take strong precautions against the transmission of the coronavirus. We did not have a single COVID-19 infection in our Lodge in 2020. We followed the State guidelines closely from day one. We met with the town Official on several occasions. The town told us we are going above and beyond and thanked us. We allow no one to sit at the bar. The tables are well spaced out. We only sell food Thursday night and Friday night. All food items are individually wrapped and separated. We only use throw away utensils and paper cups. Food sales are mostly take-out. We had a member-nurse train the House staff on taking temperatures. We have the Lodge professionally sanitized throughout the week. That's on top of all the normal cleaning protocols. We close the building before the 10 PM state mandate. We don't exceed 25% of building capacity. We have sanitizer stations everywhere. We invested in protective equipment and outdoor tents. Everyone cares about safety and sanitation. No one wants to be sick. Our zero infections are a result of good planning, caring, and well-trained people. In addition, the bar/restaurant industry is contributing less than 1.4% towards COVID-19 infections. More than 73% are large gatherings at home.

Organizations like our Elks, which rely on the bonds formed by regular social gatherings were hit particularly hard with business being way down. I think the vaccine distribution will be fast and effective. Things will calm way down by June. When things begin to get back to normal we will be able to resume more in-person activity.

During the most difficult year in modern history, we kept each other safe. We developed new and innovative ways to care and share. We showed remarkable strength and an unyielding Elks spirit.

We **WELCOME** in 2021 with great hope, great health, and unlimited optimism.

HAPPY NEW YEAR 2021 TO ALL AT LODGE 782

May the new year bring us good health first and then prosperity. Let's not forget to help your neighbor and a Veteran when you can. Looks like the new year will bring a new strain of the Covid-19 virus.

The vaccine will be administered by Atlantic Health System. I spoke to someone there but they currently were not able to provide any additional information. The phone number for future reference is 1-855-862-2778 or 1-800-247-9580 or you can visit www.AtlanticHealth.org. The Veterans Clinic currently does not have any information as well. I will pass along information as I receive it.

The Veteran's Committee has received donations of money, clothing and cosmetics which will be given to the Lyons Hospital Veterans this month. Donations from the Cintas Company & Donna C.

We will be having a Roast Beef Dinner in February. See details in the newsletter. This year it will be available for take out as well as dine in at the Government regulated capacity at that time. The date for this event is February 20, 2021.

Please wear your masks and social distance to help get through this horrible virus. Stay safe, and be wise about being with your friends and relatives this Season.

May the New Year bring us new friends that will last forever.

God bless our Veterans and you all,

Ed Parrillo Jr.,
Veterans Chairman

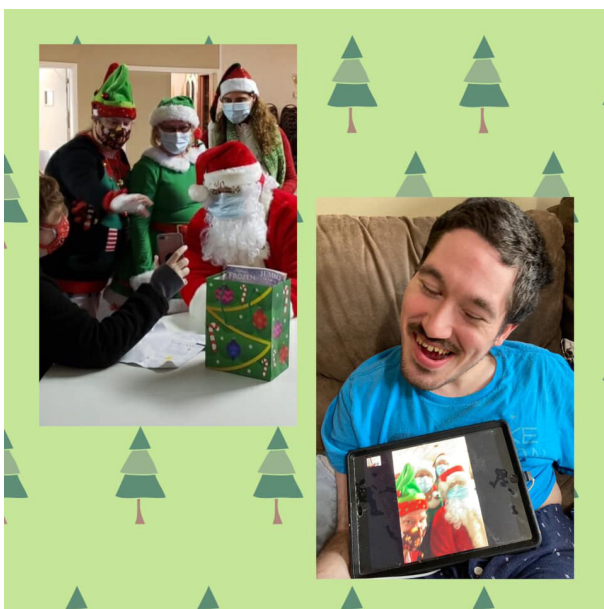

SPECIAL CHILDREN'S COMMITTEE

Hello All,

As 2020 comes to a close, I want to take the time to wish everyone a Happy, Healthy and the Safest New Year for 2021! We can all agree that while this new year won't be starting out on a good note since we are still faced with tough times ahead, please be assured that we will do our best to continue to bring some joy to our Special Needs Children and their families. I wanted to report that the Santa Drive Through on December 12, 2020 was extremely successful. We invited 37 Special Needs families and provided gifts to the kids and their sibling that attended the event. Thank you to all of the following that directly assisted: **Exalted Ruler Roxane Steffen** (dressed as an Elf); **PER's Madelyn Walrod and Jen Appaluccio** (resident photographer); **PDD Pete Appaluccio** (coordinated the parking lot) and **PDD Heidi McDonnell** for organizing the event and getting all families invited. Thank you also to **PER John Shaw** who once again was Santa Claus who handed out the gifts car side and had his picture taken with the kids. Members **Barb Pirro, Christine Macknowsky and Ryan Shaw** were also dressed as Elves and assisted with the gifts and got in the pictures. Finally to **Debbie Werner and Trustee Mike Clarke** who did all of the decorations for the event. We also had three antlers assist on that day **Kaitlyn Erickson** who provided letters from Santa to all the kids and 2 boys helped with the traffic, **Shane and Connor Dowling**.

That is all for now, hopefully you all had a blessed Holiday Season and let's all pray that 2021 will all be better for us. God Bless our Special Children and all of you for continuing to do all that you do for them.

Fraternally Yours,
Wayne, Chairperson
