The Parade is The Heart of the Weekend. The primary purpose of this cherished annual tradition is to represent our Lodge with pride in the NJ Elks Parade. J

To uphold our mission and strengthen our presence, **we are focused on maximizing parade participation and reducing those who choose not to participate in the parade.** Non-marchers increase food and beverage costs, which are subsidized through Lodge fundraising, and detract from our primary purpose: **proudly participating in the parade.** Reservations will NOT be accepted for anyone who does not commit to participating in the parade.
