2019

It's November already and time to thank all the members who work so hard all year for our lodge. The beginning of the month was a bit quiet after the District Flag Salute and 11 O'clock Toast competition at Boonton Lodge. Thanks to Boonton for hosting. Then as always, things started to get busy again midway thru the month and we assisted the upcoming State President nominee in preparing for his bid to represent our great state. Good Luck Anthony!

We initiated quite a few new members in October! If you see someone new around the lodge wELKome them and make them feel at home. October also brought our first "Leap" meeting. It's hard to believe it's time to start planning for our 10th Leap which will be held February 9th (more to come on that in future newsletters). If anyone wants to help out we can always use more hands or get a group together and come out and LEAP! October also brought our usual Halloween festivities. **Heidi and Wayne** along with **Pat Porter** and **Christine Machinowsky** did their usual fantastic job with the Trunk or Treat/Halloween party with the help of a few of our dedicated antlers (**Kayla Rose, Paul & Michaela**) as well as the Beehive themed Trick or Suite at Embassy Suites that rounded out the month. Speaking of our Antler's we are so proud of all the good work they've been doing. **Tarin** and her Antlers are working with NJClothingDrive in Flanders and have gotten a clothing bin on-site. Now is a great time to make room in the closets for all Santa's goodies and donate your unwanted items to help the Antler's raise money for all the charities they support. The Antlers will also hold their 3rd Annual "Pet Photos with Santa" on the 25th – see the flyer in the newsletter.

Now we're moving into November and the holiday season with much to accomplish. The first item on the agenda is our Annual Tricky Tray November 3rd. This event requires a lot of work and coordination and gets better and better each year. So many people will contribute to this event that it's hard to thank everyone individually, but I can't not mention **Marge Curry** who puts our baskets together and makes them look so beautiful, and **Madelyn** for organizing and keeping it all straight and her house committee for all their time and efforts canvassing the area for donations! November 4th is the Soccer Shoot being held at our lodge for boys and girls under 15. Bring the kids out and get them involved! **Debi Werner** and the ENF committee will host the Vendor Craft fair on the 11th. Unfortunately, I will be unable to attend because I will be at the Fall Conference representing our lodge that weekend. I am looking forward to competing in the State Flag Salute and 11 O'clock toast competition and hope to make you all proud to be a part of Lake Hopatcong Lodge #782. On the 15th we will be hosting the veterans from Lyons hospital for their annual Thanksgiving dinner with a delicious home cooked meal with all the fixings! Don't forget the veterans committee is sponsoring a "Black Friday" spaghetti dinner the day after Thanksgiving. Take a break from shopping and join us!

As Thanksgiving approaches, I wanted to take a moment to share a few thoughts. First, I would like to thank my Elk family. You have my sincere appreciation for all your support and all you do for Elkdom. Your guidance and dedication are what makes this lodge the All-American Lodge that it is. I couldn't be more thankful for you all. I'd also like to take a moment to thank the service men and women who won't be able to be with their families this holiday season. These men and women sacrifice their own needs so that we can continue to enjoy the love of our families, good food, laughter and so much more. Take a moment to pray for their safety each day as the gift they've given all of us can't be equaled. To my own family (including nobody), I am so very thankful for each of you every day.

Happy Thanksgiving to you all!

“Elks Give from the Heart”

MICHAEL T. LUHR
GRAND EXALTED RULER
2018-2019

Upcoming holidays and events require prep work

Is there any better time to be an Elk than the holiday season? November is the month when we enjoy special moments with friends and family and some of our most important Elks events.

November is also a month for preparation. While we enjoy Veterans Day and Thanksgiving, we should also start laying the groundwork for next year's Lodge activities. Does your Lodge use a monthly planning book? Do you have a five-year planning book? Both short- and long-term planning ensure that our programs remain polished and empower incoming officers to get the most out of their tenure.

First and foremost, November is a time to plan for your Lodge's Veterans Day event. Properly honoring our veterans' sacrifice requires preparation and organization. What better way to commemorate Veterans Day than with a well-planned program that expresses heartfelt gratitude to your local veterans?

Thanksgiving is also right around the corner. To commemorate one of our most cherished American holidays, many Elks Lodges open their doors to the community for special dinners. This makes it possible for all visitors to enjoy a satisfying meal regardless of their situation. It's also one of the finest ways for us to share our many blessings with those who may not be as fortunate.

This year, the Elks Memorial Service is on December 2. Now is the time to start planning for this important ceremony by inviting family and friends of deceased Members to the event. Preparation will ensure that every participating officer understands the solemnity of this occasion, allowing them to publicly demonstrate that Elks are "never forgotten, never forsaken."

The holiday season also means that a new year is swiftly approaching. Are your officers lined up for next year? February nominations are coming soon, so don't wait until the last minute to find Members who are dedicated to filling these roles with pride.

Now is also the time to finalize your selections for Elk, Officer, and Citizen of the Year Awards. Just as we celebrate our veterans, we should celebrate the efforts of our exemplary Members. Acknowledging their efforts is one of the finest ways to show appreciation for the hard work of your fellow Elks. Plan to give out these awards at a special event where Members and non-Members alike can see the many rewards of being an Elk.

Arranging these events is easier when you maintain a detailed planning manual. As officers move through the chairs and enter into new roles, they will have the collective knowledge of countless past Elks at their disposal. This is yet another way that the officers in your Lodge prove that they're "Working Together to Make a Difference."

“Elks Care - Elks Share.”

HOUSE COMMITTEE

With the end of October comes Halloween and the many beautiful colors. The trees are turning and the weather is getting quite "brisk"!

As November approaches, also comes many activities at the lodge. **November 3rd is our Annual Tricky Tray.** I would like to thank **Marge Curry** for the many hours of "building" the many baskets for raffle. I would also like to thank all the members and officers who have donated baskets or helped us in other areas. This event cannot be successful without all the help.

Thanksgiving brings another great event. That is the holiday meal with Veterans from Lyons Hospital. We always all look forward to their visit!!!

The Holiday Appeal Project will be starting mid November with families from our area. Get involved with this exciting project. Adopt a family. See **Madelyn Walrod, Linda Gathen, or Barbara Tokar** for selections.

I would like to thank Eric from Ace Hardware and Todd Cruickshank for the donation of a much needed snow blower. I know it will be put to good use.

I would to wish all a very happy, healthy Thanksgiving.

SPECIAL CHILDREN'S COMMITTEE

First of all, thank you to the member, antlers and any volunteers that were available to assist with our Trunk or Treat for Special Children on Saturday, October 27, 2018. We had approximately 26 Special Children in attendance and the kids had a great time even with the weather moving us inside. We were able to provide food, refreshments, grab bags and of course a lot of candy to the kids. Thank you to **Heidi McDonnell, PVP**, for coordinating this event and making it another successful one! A big thank you to **Christine Macknowsky and Pat Porter** for decorating our suite for the Trick or Suite event for the PG Chambers School for Special Needs Children. We had a Bee Hive them2e which got multiple words of praise and it provided many interesting facts to the teachers of the school for their students. We gave out honey graham crackers to approximately 150 kids in attendance.

November is a quiet month but it will be used for preparing for the holiday season events.

On Saturday, December 1, 2018, our lodge is hosting the District Charity event from 7:00-11:00PM. It will be \$40.00 per person. It will have an "ugly sweater" theme and the proceeds will benefit the events the district sponsors for our kids. We have the Special Children's Breakfast with Santa on Sunday, December 9, 2018 at the lodge from 8:00-10:00AM. This is a free event and is open to the families and our Special Needs Children. We ask that the families please RSVP for this event and details will be emailed out to the families.

That is all for now and thank you to all our members who continue to raise money and support our events for our Special Children.

Dear All:

This is a busy month for your Veterans Committee. We will assist in serving between 150 and 200 Veterans from surrounding communities on 7th November at the Birchwood in Whippany. It's a wonderful evening for all of us.

We are hosting the Veterans from Lyons Hospital on the 15th November. We are hoping that we get some donations of new clothing.

It's cooling down outside so coats, hats, scarfs and always underwear and socks. Remember we have women and men Veterans.

We have moved the collection bin at the lodge out to the front lobby. Your donations are greatly appreciated. And in keeping with tradition, the Veterans Committee is cooking spaghetti and meatballs on Black Friday. After your day of shopping - stop by and allow us to feed you! We can't do it without your help! Thanks again.

Fraternally yours,
Peg Sharpe-Murphy
