**2025**

Let's make this year one to remember.  
Together, we can accomplish great things.

**2026**

As December fades into the past and we head into the New Year, we think, where did the year go? Personally? I'm glad this one's over. I had a few bumps in a road but we're coming through. I hope all my friends in Elkdom are having the most Wonderful Time of the Year right now. I hope your Christmas was special and that you have a great New Year ahead.

Our lodge did some great things in December. We stepped up and adopted over 250 kids for our Annual Holiday Appeal. Way to go! You people are so generous. Thank you very much.

We woke up the morning of our Annual Breakfast with Santa Claus to snow that fell overnight but we got through it and had a wonderful time with all the families that attended.

On December 22<sup>nd</sup> we had Pizza with Santa for our Special Children. God those kids had such a great time. Thank you to all the volunteers that attended to make it goes so smoothly!

Great job on the soccer shoot, Tom Brown, PDD. It was so much of fun. I really enjoyed myself.

We had a very well attended New Year's Eve party. The band was great. The food was excellent and it sure looked like everybody had a wonderful time.

Here we go to 2026!! We have a lot of events coming up in January. wELKome Wednesdays and Friday night dinners are back after a well-deserved break for our volunteers. Our Veterans Committee kicks off the first Wednesday on January 7th. Please come out and support this hard-working committee. On January 10th we have a Celebration of Life for Madelyn Walrod, PER. She was a great person! She did some much for our lodge. She is missed greatly. On January 11<sup>th</sup> we have the Motorcycle Committee along with the Hopatcong Rotary and Mike Smith's famous sauce serving a Spaghetti Dinner with meatballs, and garlic bread with cannoli for dessert. Come on out and have a great Sunday dinner! Our Annual Old Fashioned Roast Beef Dinner will be held on January 17<sup>th</sup> hosted by the Veterans Committee. Come out and support them.

I want to thank my bartenders, my cooks on Friday night dinners and the antlers that serve the meals and my committees for wELKome Wednesdays. You all do an outstanding job and without you this lodge would not be what it is. So, thank you very much for all the hard work you did all year long!

We head into the New Year and we're all going to make those resolutions of, "I'm going to the gym". "I'm going to lose weight". "I'm going to stop smoking"... well instead of all those resolutions. How about we just take a dollar out of our pocket and help those unfortunate people that can't help themselves because that's what Elks are all about. Have a great month, I hope to see all of you at the lodge!

Fraternally yours, Walter Wurster, Exalted Ruler

HAPPY BIRTHDAY MEMBERS OF JANUARY

**"Elks Give from the Heart"**

**BRYAN KLATT**  
GRAND EXALTED RULER  
**2025-2026**

**"Elkdom's Heart for America"**

**DEADLINES APPROACH FOR AWARDS,  
FINANCIAL FILINGS**

Happy 2026 to all our Elks family! January starts the last quarter of the Lodge year. Be sure to have your membership retention program working on achieving a +1 membership gain for 2026! Have your membership committee and delinquent Member sponsor reach out to those lapsed Members. This personal contact could very well bring these Members back on to our rolls. Our delinquent Members had a reason for joining and they are worth keeping as active Members. Find out why they are delinquent.

As the Lodge year is nearing the end, there is no better way to recognize those Members and citizens who have gone beyond the call of duty in their service to Elkdom than to award them with "Elk of the Year," "Officer of the Year," and "Citizen of the Year." The awards request form can be accessed in the Members Only section of [elks.org](http://elks.org) and needs to be submitted prior to March 31 so that the certificates can be printed and sent back to the Lodge for Officer installations or year-end award gatherings.

Also, the Legacy Award scholarship is available until February 2, 2026. It provides \$4,000 scholarships to the children and grandchildren of Elks Members. Details of the scholarship can be found on the Elks National Foundation website. The end of the Lodge fraternal year will be here soon. With the Financial Reporting System (FRS), your Lodge needs to ensure all entries are current. A bonus of having the FRS system is that your Lodge no longer needs to have the annual audit completed. However, you still must submit your 990 and 990T for each corporation in your Lodge. Have them completed by a qualified individual (e.g., CPA) and filed with the IRS and uploaded on [elks.org](http://elks.org). Membership... Membership... Membership: There are three months left in this year. Initiate all your candidates and work on the delinquent list!

To Be The Difference means searching for ways to improve what we have while looking forward to the future.

**"Elks Care - Elks Share."**

## *Lake Hopatcong Elks — Be the Difference in 2026*

2025 will be remembered as a defining year for the Lake Hopatcong Elks—not because of any single achievement, but because of who we proved ourselves to be when it mattered most. We crossed a milestone that speaks volumes about the soul of this Lodge—800 members. Not a statistic. A statement. Eight hundred neighbors, friends, and families bound by shared values and a shared promise to serve. It represents trust earned over decades, friendships forged around tables and service projects, and a community that didn't just join a Lodge—they chose a family.

Across the Lodge, something powerful happened. Committees stepped up. Volunteers showed up. Leaders led. Members leaned in. This Lodge moved with purpose—and with pride. Nothing here happens by accident. Every act of service is powered by Elks who care deeply about the people standing beside them and the community counting on them.

Our commitment to Veterans and Children with Special Needs was never symbolic—it was deeply personal. It was time given, hands held, and doors opened. It was showing up again and again to remind others that they are seen, valued, and never alone. Our Youth Committee invested in tomorrow by supporting local programs, awarding scholarships, and leading drug-prevention efforts—quietly shaping futures long before the rest of the world notices.

This year, our Lodge Antlers earned national recognition for their fundraising efforts supporting the Army of Hope, proving that leadership, compassion, and service have no age limit at Lake Hopatcong. Their example reminds us that the future of this Lodge is strong—because it is being raised the right way.

Another source of pride this year has been our Lodge Motorcycle Committee, whose mission was inspired by one of the purest moments of service—delivering presents to hospitalized children and seeing firsthand what compassion on wheels can do. That inspiration has carried them far beyond a single ride. Today, those wheels roll with purpose—supporting Veterans, the Miracle Run, and answering the call wherever our community needs help. It's a powerful reminder that at Lake Hopatcong, service doesn't stay inside our walls—it rides out into the State, carrying hope with it.

And when the holidays arrived, our Lodge did what Elks have always done—we stepped forward: Nearly 250 local children adopted. Over 100 food baskets delivered. Extensive support provided to local food banks. Snow may settle on rooftops and lights may line our streets, but inside our Lodge is where the real warmth lives. It's found in the quiet moments no one sees. A knock on a door. A bag of groceries left behind. A child's smile on Christmas morning. The steady presence of Lake Hopatcong Elks who refuse to let anyone feel forgotten.

Now, we look ahead. As we enter 2026, we do so with confidence, purpose, and pride—proud of what we've built, grateful for those who came before us, and energized by the work still ahead. Being a Lake Hopatcong Elk means more than holding a membership card. It means stepping forward when others step back. It means answering the call without being asked. It means setting a standard that says, this is what service looks like. Together, we will Be the Difference in 2026—for our Lodge, for our community, and for every life that will be touched because a Lake Hopatcong Elk chose to stand up and serve.

Happy New Year, Rick Gathen, PSP

## A NEW YEARS MESSAGE FROM THE ADVISORS

As we step into 2026, we want to express our heartfelt gratitude for your unwavering support and commitment to the Antlers program. Your involvement has a lasting impact on our community and helps shape future leaders. Let's continue working together to inspire service, fellowship, and growth throughout the year ahead. Wishing you and your families a year filled with health, happiness, and success!

As we welcome a new year the Antlers continue to exemplify service and community spirit. While December was a quieter month, members remained actively engaged in supporting lodge events.

On December 3rd, the Antlers hosted our annual Wreath & Sip fundraiser. Attendance may have been light, but the evening was filled with fun and creativity as members crafted wreaths from scratch. Special thanks to **Jen Markesteyn and Christian** for guiding us through the process, and to **Santa Mike Mahoney** for helping us kick off the holiday season!

Throughout December, the Antlers contributed to several meaningful initiatives. They assisted at the Lodge's Breakfast with Santa on December 14th, helped load cars for the Holiday Appeal Program on December 21st, and joined the Special Children's Pizza with Santa event on December 22nd, a truly memorable night.

This month, in addition to their regular involvement in lodge activities such as Friday Night Dinners and wELKome Wednesdays, the Antlers are serving at the Motorcycle Committee's Spaghetti and Meatball Dinner and the Veterans' Roast Beef Dinner. Their dedication despite busy school schedules reflects a strong commitment to fellowship and community service. Please join us in thanking them for their hard work and enthusiasm.

The Antlers are always looking for a way to engage and bring more Antlers into the program. Look out for some exciting new activities and fundraisers they are planning. Membership is open to individuals ages 12–20 who are U.S. Citizens of good character and believe in the existence of God. Applications and brochures are available in the lodge lobby—this is a wonderful time to join! Thank you for your continued donations to the clothing bins, which help us support local charities each month. Together, we make a difference.

Antlers today, Elks tomorrow!

Fraternally, Samantha P. Martin PER,  Antler Chairperson

## VETERANS COMMITTEE

wELKome to the year 2026! We hope for this year to be healthy and safe you all! **Walter and Lisa** did a great job for the New Year's Party. The band was excellent and the food was exceptionally exceptional and we had plenty of it.

wELKcome Wednesday returns with the us hosting! The menu consist of either a hamburger or cheeseburger, french fries and pickles. We have a hardy escarole and bean soup for this cold weather.

We will be having Our Annual Roast Beef Dinner on Saturday, January 17th. Tickets are available for purchase at the member's bar for \$15 per person. The Veterans Committee will be serving a roast beef dinner with mashed potatoes and vegetable and of course salad along with **Karen's and Donna's** homemade dessert. We will be having a DJ with dinner music!!

Happy New Year from the Committee. Please Be Safe!

Yours Truly, Ed Parrillo, Veteran ~ Committee Chairperson

As we greet 2026 with a few light snowfalls and a fresh outlook on the world, we begin a new year, a new chapter, and 365 more days to spread the kindness of Elkdom throughout our communities.

Did you know that the Elks National Drug Awareness Program (DAP) is the largest volunteer-driven drug prevention initiative in the U.S., empowering communities since 1982? Through our lodge, we play a vital role in educating youth and families about the dangers of illegal, prescription, and over-the-counter drug misuse.

We do this by building a drug-free future through awareness and leadership. The Elks believe that protecting our youth and empowering them to lead is at the heart of what we stand for. Through the Drug Awareness Program and the NJ Elks Peer Leadership Conference, we are making a lasting impact on families, schools, and communities.

If you have ever asked yourself why we do this or why it matters, just think about what these programs really offer. Helping kids learn about risks early reduces substance use and fosters healthier lives. Our programs provide prevention education and leadership training so youth can make informed choices and share these lessons with their peers. Elks members serve as role models, partnering with parents, schools, and youth organizations. Students gain life-changing leadership skills that help them lead by example and create positive change in their communities. Our involvement strengthens the lodge's presence and shows how "Elks Care," while peer leaders build connections with like-minded youth across New Jersey, forming a strong support network for wellness and prevention initiatives. Through these programs, we uphold the Elks tradition of guiding and protecting our youth while strengthening the fabric of our community. Together, we can build a brighter, drug-free future, one caring act, one conversation, and one empowered leader at a time.

Fraternally,

Samantha P. Martin PER,  Drug Awareness Chairperson

## SPECIAL CHILDREN'S COMMITTEE

As we welcome a new year, we can't help but reflect on the joy and magic of the holiday season, filled with love, kindness, and the spirit of giving. Our Northwest district Holiday party on December 6th kicked off the Christmas season, held at Parsippany Lodge, and was a resounding success. Our lodge along with the other 8 Lodges came together to spread cheer. Our lodge committee was delighted to donate \$30 Walmart gift cards to each special child in attendance, adding to the festive atmosphere of lunch, cookies, and a professional Photo Booth, not to mention a visit from Santa, Mrs Claus, and one of their elves. It was a truly unforgettable start to the holiday season.

Our highly anticipated event, Pizza with Santa, was held on December 22<sup>nd</sup> from 5:30-7:30pm at our lodge, exceeded expectations. Despite some last-minute challenges with children unable to attend due to illness and other issues, we ended up having 23 wonderful children attend with their families, and we ensured that all the children received their gifts. The evening was filled with laughter and excitement as we served pizza, cookies, and specialty hot cocoa, accompanied by candy bingo and blind bag giveaways. Each child also went home with a \$30 gift card and specialty chocolate dipped Christmas cookies and each sibling in attendance received a special gift as well. Our characters, including our resident Elf Barb Pirro, Frosty Patty Zdichocki, the Grinch Jason Howard, Mrs. Claus Kaitlyn Erickson, and Santa Mike Maroney, truly made the evening unforgettable. We extend our heartfelt gratitude to these individuals for their tireless efforts and generosity. A huge thank you to our volunteers, whose dedication and hard work made the event possible: **Heidi McDonnell for her exceptional organization, ER Walter Wurster, Samantha Martin, Lisa Rovito, Ronnie Blewitt, Veronica Bellack, Sheila Speroni, Joyce O'Donnell, Pat Kerrigan, Cindy Weir, Donna Holly, Lucy Barber, Colleen and Billy Erickson, Roy Jackson, Kayla Russo, Tina Kraus, Linda Klein, Erik & Caden Sable, Ruth Ann Lutz, Marie Maroney, and Vicki Angle for their invaluable contributions. We also appreciate Debi Werner and Nancy Loizou for their assistance. To everyone who contributed, please know that your efforts are truly appreciated.**

With all the great interest, we will start having in person committee meetings beginning in the new year. In the meantime, while we establish a schedule and work out the particulars, please let us know if you are interested in being a regular member of our committee by emailing Heidi or Wayne at hgmcconnell72@gmail.com or waynemcd8198@gmail.com. Once we have everything worked out we will share the schedule of meetings with those who respond.

## 2025 HOLIDAY APPEAL - A GREAT SUCCESS!

Once again, the spirit of volunteerism and compassion shined brightly this Christmas at Lake Hopatcong Elks #782, with so many of our lodge members finding it in their hearts to adopt a total of 257 children from 104 area financially needy families and buying them gifts to put under the tree. On behalf of these children and families whose lives you have made a difference, I thank you all from the bottom of my heart. This incredible feat would not be possible without the support from our members. Imagine the faces on those children, waking up Christmas morning, to find so many more gifts under their tree than they thought was possible. To some children, and even to some parents, our benevolence was looked upon as a miracle, as these parents struggled wondering where they could possibly find the money to give their children a Christmas every child deserves. We all should feel a sense of pride and joy knowing we made a difference in these families' lives. Thank you again for making this possible.

Special thanks to **Nancy Loizou** for all her help in organizing, wrapping and checking in all the gifts to make sure none were missed. Thank you also to all the members who helped wrap the gifts and assemble the food baskets.

We also donated toys to Morristown Goryeb Children's Hospital and Morristown Pediatric Cardiology Clinic. A special thanks to Santa (**Mike Moroney**) and **Nancy Loizou** for dropping off these toys to these children who were confined to the hospital during the Holidays.

Thank you ALL for choosing  
to make a difference!

Linda Gathen, PDD  
Holiday Appeal Chairperson
