2023

Your next best moment is just waiting for you to discover it.

2024

September came fast and went by even faster; and I hope it took all that rain with it. We could really use a little break and some nice fall days. I don't know about you, but sweater/sweatshirt weather is my favorite time of year.

On Sunday September 10th I had the privilege of presenting a check from our lodge at the Army of Hope picnic. While the weather went from rain to monsoons and back again, the sun came out to shine as they announced and escorted the families in, to be in the presence of so many Gold Star family's is truly humbling.

I want to thank everyone that came out on Monday September 11th to honor the memory of those who were taken 22 years ago. Our member **Matt Beik** shared how the events of that day impacted him and his family, **Linda Gathen PDD** made pins, provided the music, and played taps, Captain Lee Moreau brought flags to hand out, the officers did a beautiful job and the house provided hot dogs to those in attendance. I cannot thank each of them enough, for putting their own touch on a day that was full of courage and patriotism. May we always remember those who perished and those that worked tirelessly to save our fellow Americans.

On September 16th, our lodge hosted the 3rd Annual District Music Fest for Vets, and I had the honor of presenting a check from our lodge to Operation Chill Out. What a great event! It's great to see so many talented people coming together for a worthy cause, the committee did a fantastic job, and the music was amazing!

On Monday September 25th we initiated 16 new members, I am proud to announce that our lodge has now surpassed 700 members. Thank you to **Lisa Rovito PER**, her team and to all our members who helped us reach this milestone! You all made this possible!

We also held our final Wednesday night barbeque on September 27th. I would like to thank all the committees for another successful year! Thank you to all our members and guests that supported these nights throughout the summer.

Thursday Thursdays will begin on October 5th bringing a new special every week made by various committees throughout the month.

Sunday, October 1 we will be holding our District Walkout on Drugs. This event is our major fundraiser for our Path and Peer Leadership Conferences that occurs throughout the state. Registration will begin at 9:00am at Parsippany Lodge and the Walk starts at 10:00am. If you can't walk but would still like to donate to our Antlers who are walking please see **Lisa Rovito, PER or myself**.

If you love golf join us on October 13th for the 5th Annual **Gerry Cook** Golf Outing for Drug Awareness at Farmstead. Hopefully, we will have a beautiful day of Golf to close out the season. October 21st, we have two awesome events. First up get your running/walking shoes out. The district is hosting a 5K for kids to benefit special needs children. The event starts and ends at the Mt. Arlington Municipal Building reach out to **Linda Gathen PDD** for more information. That night we have our Elks National Foundation Beefsteak dinner, this is always a fun night full of bread towers and laughs. See the bartender for tickets and don't forget to give your membership number so ENF can acknowledge your donation. Trunk or treat is back on October 28th for our special needs children. Sign up in the bar and come decorate your truck for Halloween bringing smiles to all the children.

October is known for its Pink Ribbons as it is Breast Cancer Awareness month. The shocking statistic is that every 14 seconds, somewhere in the world, a woman is diagnosed with breast cancer. In the US alone roughly 1 in 8 women and 1 in 833 men will develop breast cancer over the course of their lifetime, and this year around 300,000 women and 2,800 men will be diagnosed. In the US, a woman is diagnosed with Breast Cancer every two minutes, making it the most common of all cancers for women at 30%. So, why do and I throw these statistics out at you, it's because every month I challenge you, this month I am asking you to remind your family and friends of the importance of getting checked. #AskHer I have always been an advocate of breast cancer awareness and as a survivor I continue to remind people to get checked.

That leads me to this month's quote, Maya Angelou once said – "I can be changed by what happens to me, I refuse to be reduced by it." This is such a perfect saying in so many ways as I often tell my children we are not defined by what happens to us, we are defined by how we handle it!

Fraternally Yours,

Samantha P. Martin, Exalted Ruler

GRAND EXALTED RULER

“We Are The Elks.”

ENF grants allow Lodges to boost their benevolence

October is the birth month of the greatest program of our Order: The Elks National Foundation (ENF), known as the “Great Heart of Elkdom.”

Established in 1928, the Foundation helps build stronger communities through programs that support youth, serve veterans, and meet the needs in areas where Elks live and work. The best source for the most current information about the ENF is the Foundation’s website at elks.org/enf. Spend some time there. You’ll be amazed by what the Foundation is doing.

I especially want to call your attention to the Foundation’s Community Investments Program. The Foundation has allocated nearly \$16 million for Lodge community service grants. This grant program allows your Lodge to complete more for your communities.

I urge all Lodges to take the time to educate yourselves about these grant programs. The Beacon, Gratitude, Spotlight, Impact, and Freedom Grants could be very helpful to your community. Each grant has a specific deadline to apply for funding. Find that need in your community and get it done with one of these grants. This will ensure people in your community know that “We Are THE Elks.” Other programs that ENF funds include: Scholarships, youth activities, veterans service and remembrance, Elks Veterans Memorial maintenance, and much more. It is very important to let our Members know about the great work ENF does.

I challenge every Member of Elkdom to support the ENF. Be sure to tell new Members about all the incredible things the ENF makes possible on a local, state, and national level. The charitable, educational, and benevolent causes supported by the ENF are the most important financial contributions made by our Order and deserve the continued support of every Member. Red Ribbon Week is the nation’s oldest and largest drug prevention program. Red Ribbon Week is celebrated from October 23-31. There are many ways to celebrate. Have your local elected officials issue a proclamation, have your Members distribute red ribbons to schools, and encourage Members and friends to wear red ribbons.

The struggle to educate our youth about drugs and assist them in making informed decisions must be advanced at the community level. Our national, state, and Local Lodge Drug Awareness Programs encourage volunteers to listen, educate, and mentor, thereby letting our communities know that “We Are THE Elks.”

Finally, the Auditing and Accounting Committee should review Lodge books and report at the last meeting of the month. October has the fall holidays of Columbus Day and Halloween. Trick or Treat. Please be safe.

Remember “Elks Care — Elks Share” and “We Are THE Elks.”

God bless our great Order, our troops, and the United States of America.

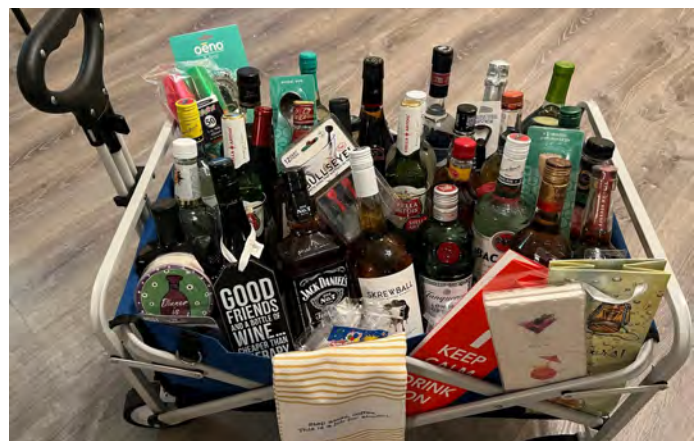

“Elks Care - Elks Share.”

ANTLERS CORNER

Unfortunately the Flea Market that was scheduled for Saturday September 23rd was cancelled due to inclement weather so the Antlers were unable to hold the Mum sale. Our next fundraiser will be our annual Make your own wreath event which will be held on Wednesday December 6, 2023 at Nester's Greenhouse at 234 Stanhope Sparta Road #2988 in Byram Township from 7 to 9pm. It is a BYOB and shareable snack event where you are provided with everything needed to make a Holiday Wreath, Grave Blanket or Kissing Balls. The cost is \$40 per person and tickets will be available at the lodge in the coming weeks. Everyone that attended last year had a great time so come join us for an evening of crafts and fun. We are also planning another Make your own Mozzarella event in the near future so check your bulletin for updates. These fundraising events are to help send our Antlers to the Path and Peer Leadership Conferences which will be held February 1st to the 4th at the Ocean Place Resort and Spa in Long Branch NJ.

The Antlers continue to serve Friday Night Dinners and are doing an amazing job. They also volunteer for special events, always working hard with enthusiasm. Please continue to show your appreciation for all of their hard work.

Thank all of you for your continued donations to the clothing bins. The Antlers make donations to their favorite charities with the monies raised from the bins.

We continue to try to grow our numbers and if you have any friends or family members between the ages of 12 and 21 please encourage them to join the Antlers. Applications and brochures can be found in the front lobby of the lodge.

Fraternally, Lisa Rovito PER

In Memory Of Our Advisor & Friend, Patty Carroll

We are all very saddened to learn that Patty was no longer with us. We'll always remember Patty fondly and feel lucky to have had the opportunity to know her. Throughout the years Patty was always excited to spend time with us and she never said no when it came to helping our group. She always "had an idea" and helped us with our fundraisers. As the eleven o'clock toast says "Elks are never forgotten". You will live on forever in the memories we keep and the fun we had.

Your Antlers

It takes special people to blend in with the Antlers and Patty was always welcomed by them, she was our friend and will be sorely missed.
